

David B. Argo, MD is a fellowship trained orthopaedic surgeon specializing in sports medicine. He received his undergraduate degree in mechanical engineering from Vanderbilt University, Nashville Tennessee, where he was captain of the varsity soccer team. He earned his medical degree and completed an orthopaedic residency at the University of Tennessee. Dr. Argo recently completed a prestigious orthopaedic sports medicine and arthroscopy fellowship with the Mississippi Orthopaedics and Sports Medicine Center, dedicated to state of the art advancements in the treatment of the shoulder, elbow, and knee. He has worked extensively with athletes at the high school, college and professional level, including Oak Hills High School, East Central High School, Cincinnati Cyclones, Cincinnati Reds, Cincinnati Kings and the Cincinnati Jungle Kats.

Dr. Argo currently sees patients at the Beacon West location on Harrison Avenue, and in the fall of 2008, he will extend his availability to a satellite office in Batesville, Indiana.

His interests in orthopaedics include the arthroscopic treatment of the shoulder, elbow and knee as well as general orthopaedic care. He also has extensive training in joint reconstruction and fracture care.

Course Instructor / Lecturer/ Teacher

2006-2007 Lecturer for the Mount Saint Joseph Athletic Training Program

2008 Course Instructor American Orthopaedic Society for Sports Medicine

2007 Course Instructor for the Arthroscopy Association of North America

Honors

Best Research Presentation Award winner – Combined Tennessee and Georgia Orthopaedic Society meeting, October 2002

IMHOTEP Society – recognition of service and leadership UT College of Medicine

Elected Alumni Class Officer by fellow classmates at Vanderbilt University

Captain of Vanderbilt University's nationally ranked varsity soccer team

Vanderbilt University Academic Scholarship Award Winner

Rotary Club Citizenship Award

Soroptomist Scholarship Winner

Work Experience

Emergency Room Physician – Woods Memorial Hospital; Etowah, TN

Medical Extern – Regional Medical Center - Elvis Presley Trauma Center; Memphis, TN

Volunteer Physician's Assistant - Queen City Sports Medicine Clinic; Cincinnati, Ohio

Manager - Procter and Gamble Company; Cincinnati, Ohio

Team Physician for

Cincinnati Reds, Cyclones, Kings and Jungle Kats

East Central High School, Oak Hills High School

Research Experience

Operative Treatment of Ulnar Collateral Ligament Insufficiency of the Elbow in Females

Arthroscopic Treatment of Glenohumeral Arthritis with Interpositional Biomechanical Comparison of LISS plating versus IM nailing of Proximal

Tibia fractures

Tibial Nail Comparative Analysis

Office Location

Beacon West
