

## Special Fundraiser Helps Student Athletes

As the team physician for East Central High School, I have been hearing from my patients and their parents about some of the financial hardships that are going on within the Sunman Dearborn School System. Times have been tough for everyone in the current economy so we have been looking at several different options to help out.

Together with the East Central High School Athletic Department, we are proud to announce a very exciting fundraiser that we think will take some of the burden off both the student athletes and the coaches of every sport that proudly wears the red and black.

East Central is launching a \$10,000 Raffle for a Cause. This raffle is in conjunction with two other foundations: The Pink Ribbon Girls is a group started by Tracie Metzger; they provide assistance to women going throughout their treatment of breast cancer. They help with child care, buying groceries, taking the patients to appointments, and helping to get them back on their feet. They provide Support, Education and Awareness for women who are battling cancer. Also the

Cincinnati Steam, they provide youth baseball camps and instruction for underprivileged children in southern Ohio and southeast Indiana communities.

The student athletes will be selling these tickets starting in mid July through 9/11/10. They can be purchased from a student athlete; you can get them from the school athletic office, from the school website's, athletic page or from the link at [www.doctorargo.com](http://www.doctorargo.com). For each ticket that an East Central Athlete sells 50% is given back directly to the East Central Athletic Department. All tickets sold by East Central will be tracked and credited back to the school.

Each raffle chance cost \$50.00, with a grand prize being \$10,000, a second prize of \$1,500, and three third prizes of \$500.00, the drawing will be on October 18th at the Pink Ribbon Girls Wiffle Ball Tournament. You do not need to be present to win.

If you have any questions please contact the East Central Athletic Office at 812-576-4811 x11931.

Please join us in supporting East Central during these tough times.

*Dr. Argo is fellowship trained and board certified in orthopaedic surgery and sports medicine. He is the team physician for East Central High School, Oak Hills High School, The College of Mt. St. Joseph and the medical director and team physician for the Cincinnati Cyclones. Dr. Argo sees patients at the Beacon West and Batesville locations also providing a Saturday sports injury clinic for your convenience. [www.doctorargo.com](http://www.doctorargo.com)*
